

North Jeffco Tennis Club is looking for popular local businesses to assist us with our 6th annual tennis tournament called **Tennis Palooza**, to be held **Thursday September 28 - Sunday October 1**. Although this tournament is hosted by our club, players from surrounding suburbs are also invited and will attend. In 2022 we had about 250 people play and spectate....we expect greater attendance this year!

In return for your assistance, and to offer flexibility, we are offering two sponsorship levels to help you advertise your business:

Gold Sponsorship \$175

- * **Ability to hang a company banner throughout the 4 day event.**
- * **Ad in the NJTC Newsletter which is distributed to over 600 of our members.**
- * **Opportunity to provide any marketing materials you wish via table top display or to be included in our swag bag.**

Silver Sponsorship \$100

- * **Ad in the NJTC Newsletter which is distributed to over 600 of our members.**
- * **Opportunity to provide any marketing materials you wish via table top display or to be included in our swag bag.**

Please know that North Jeffco Tennis Club is a 501(c)(3) charitable organization whose mission includes promoting and developing the growth of tennis in our community. Therefore your donation is tax deductible.

In addition to competitive tennis there will be food trucks, vendors, and music. It is a lively, fun weekend for the entire family whether participating or spectating. Your support will make it a great success and together we can take pride in funding events from which the community will benefit!!

If you know you'd like to be a part of Tennis Palooza, or have any questions, please contact Jennifer Stiebeling at jenstiebeling@gmail.com.

Thanks in advance for your consideration.
